

A Hook of Compassion

A Supplication [to Namtrul Rinpoche & Tare Lhamo]

From *A Sky Treasury: The Treasure Writings of Namkha Lingpa Rinpoche & Khandro Rinpoche Tare Lhamo* Volume 1, pgs. 6-7

NAMO GURU!

To the emanated mind of Padmakara, essence of all the Victors;
To the emanated speech of Yeshe Tsogyal, holder of the treasury of great secrets;
And to the emanated form of Namkhai Nyingpo, yogin of the twofold path—
O, Jigme Yeshe Phuntsok Dorje, please heed me!

To the emanated form of Khacho Wangmo, mother of all the victors;
To the emanated speech of Machik Lapdron who severed the four maras into reality's
expanse;
And to the emanated mind of Jnanasagara who attained infallible memory—
O sublime Tare Detong Osel Lhamo, please heed me!

From now until enlightenment,
In your compassion, O sovereign masters, keeping me as your disciple,
With your speech, please bestow the heart-essence of the supreme secret vehicle.
Then, may the result be that all my klesha-based nonvirtuous conceptual patterns,
Since beginningless time, through the agency of my karma, afflicted states, and
habitual patterns, be pacified within themselves.

When the rope that binds my dualistic mind naturally self-liberates,
When the actual face of the genuine nature, untouched and beyond intellect, is
revealed,
May the victorious level of Samantabhadra, the non-duality of cyclic existence and its
transcendence, be captured.
Then may my aspiration to lead and guide all unrealized beings [be fulfilled].
Having become of one taste with you, the protectors of all beings,
Invoking you with lamenting prayerful words will not be necessary.

Abiding now in the pavilion of my heart center's indestructible bindu,
May the supreme attainment of inconceivable inseparability be granted!

COLOPHON

When praying in this manner with a deep yearning, the sun of blessings and realization will arise from your heart.

At the request of the excellent emanation, Chimed Lodro, this was spontaneously composed by Namtrul and Tare together.
